3 Types of courses

Intensive (2 or 3 weeks)

This summer you can take A1.1, A1.2, A2.1 and A2.2 levels. The language classes will take place from Monday to Thursday, from 10am until 3pm. On Fridays, there will be cultural workshops where students can speak and learn Bulgarian in a non-formal way while exploring the local culture. On Friday evenings, we will have garden parties.

Regular (8 weeks)

The language classes will take place twice a week in the evenings. The pace of the course allows people who are working or busy during the day to take the course over a longer period of time. On Friday evenings, there will be garden parties where students can meet and mingle, and of course, practice speaking Bulgarian.

Speaking (1 week)

These courses are designed to boost your speaking and listening skills.

A1 level is for you if you have completed A1.1 or/and A1.2 level at Edno School.

A2 level is for you if you have completed A2.1 or/and A2.2 level at Edno School.

B1 level is for you if you have completed B1.1 or/and B1.2 level at Edno School.

If this is your first course with Edno School, you will be given a placement test to determine which course is the right one for you.
